1						
2	**HumanScope annual funding planner**					
3						
4	Planning year	2027		244 directory records. Regional guide updated 13 October 2026. Listings include rounds, hubs and research leads, not 244 unique confirmed grantmakers. Dates do not refresh automatically.		
5	Review date	12 Oct 2026				
6	Start drafting days before close	42		Amber: enter or update your information		
7	Submit days before close	7		Sage: calculated dates and counts		
8	Recheck sources after days	30		Status boxes count the current application stage		
9						
10	Waiting to submit		Submitted		Awaiting decision	
11	0		0		0	
12						
13	Approved		Declined		In preparation	
14	0		0		2	
15						
16	Month	Funder closing dates	Your submit targets	Actually submitted that month	Your monthly priority	Owner or notes

Choose your region, check nationwide and venue-based options, confirm eligibility and live dates, then add suitable opportunities to your application workflow.

Accuracy and functionality checks are ongoing. Existing formulas and status-summary updates were tested; not every feature has been verified in Microsoft Excel. Sources do not refresh automatically.
