Te Whare Tapa Whā

Holistic reflection for taking part in this youth programme.

Acknowledging the Māori health model developed by Tā Mason Durie. We use original service-specific prompts to support discussion across the four dimensions; these prompts are not a validated measure or an endorsed Māori evaluation instrument.

Taha tinana Physical wellbeing	Taha hinengaro Thoughts and feelings
Taha whānau Whānau and relationships	Taha wairua Spiritual wellbeing, identity and meaning

Whenua and place context

Invite discussion of the land, places and environments that support connection and wellbeing where this is relevant and welcomed. Record this context separately; it is not a fifth numerical scale.

Use the dimensions together. Do not rank them, combine answers into a score, or interpret one dimension without the participant’s broader context. Agree the use and meaning with local Māori partners and participants before collection.
